### **JOIN THE FLORIDA BRED PROGRAM TODAY:**

Accredited Florida breds finishing 1st through 4th in ALL races will receive an additional 20% in purse bonus owner/breeder awards at the 2011/2012 Hialeah meet. 50% of races will be written with equal dates/ Florida bred preferred. At least one restricted Florida bred race per week will be offered in 2011/2012. As new tracks are added, the Florida bred awards will only escalate. The First annual Florida Bred Futurity will be raced in 2012 and it will grow to \$200,000 guaranteed for foals conceived in 2012 in the 2015 Florida Bred Futurity.

The program is designed to make Florida breds become synonymous with speed, quality and superior genetics.

There are two ways to breed an accredited Florida bred foal:

1. Breed to an Accredited Florida Stallion. This foal can be born anywhere and the mare can be bred with shipped semen.
2. If the mare is in foal to a NON Accredited Florida Stallion, the mare can foal in Florida and if she is bred back to an Accredited Florida Stallion in that SAME year both the foal born in Florida by the non-accredited Florida stallion and the foal born the following year that is sired by an Accredited Florida Stallion (this foal can be born outside of Florida) are Florida bred eligible. This could afford a breeder the opportunity to have the same foal accredited by two different states. Go to [www.fqhra.com](http://www.fqhra.com) for Accredited Florida Bred eligibility requirements.

*Catch the wave! It will pay to own and breed Florida breds!*
